PUBLIC PARTICIPATION: Chris Modelowski addressed the Board asking that the Board fill the second alternate vacancy within the Zoning Board. Stating that three members of the Board have to recuse themselves due to conflict on an upcoming hearing. Mr. Modelowski is representing the applicant and feels the only way to get a fair hearing is to appoint a second alternate to hear the case. Mayor Doll stated they would look into the matter although at this time he has no viable candidates.

Bill Bryde form Northport Soccer League addressed the Board regarding Ice Cream trucks down at the ball fields. Where they are parking it blocks cars from getting in the park and the trucks are left idling. Chief Ricca stated only one vendor has a permit. Mr. Bryde was instructed to call the police if there are any problems.

COMMISSIONER REPORTS: Trustee Maline reported he has put together a committee to work down at Scudder Park and will coordinate a meeting with everyone and the Boy Scouts.

Trustee McMullen reported everything has been nice and quiet down at the Sewer Plant and the numbers are still good. He and Trustee Milligan met with the intermunicipal water committee.

Trustee Tobin reported the auditors will be arriving on Monday and the Village seems to be in good shape. The Village has addressed all the comments from past years. The EFC long term financing is approaching decision point. Hopefully we will be barrowing as little as possible.

Trustee Milligan reported he and Trustee McMullen had met with the Intermunicipal Water Committee last week. There were representatives from Asharoken and Huntington. One of the good thing about it is when anyone of the municipalities goes after a grant we would get more points going after them as a common project. One topic we discussed was the dredging of Northport Harbor. Also all the floats are in for the new season. The Dockmasters will now be accepting credit cards.

Mayor Doll reported the Highway department has done some concrete work, tree removal, grass cutting has started and the hot box has been out.

CHIEF OF POLICE REPORT: Chief Ricca reported that since he last meeting they have increased patrols along Bayview Ave. The Department had done 22 site patrols and issued 2 violations for stop signs. They will continue to do the sight patrols along that stretch of roadway.

ADMINISTRATOR'S REPORT: nothing to report this evening.

NEW BUSINESS: no old business.

OLD BUSINESS: Mayor Doll brought up the parking along the eastern side of Ackerly Terrace once again needs to be address. Emergency vehicles as well as homeowners in the area can't get to their property with parking on both sides of the street.
